Re: 2018 Summer Softball League

---

The City of Brawley is proud to announce that Hinojosa Park is the planned site for significant ADA improvements. Construction activity will begin onsite in the coming months. While the City is excited to apply more than \$800,000 in State funds to the project, it is recognized that park users will be temporarily inconvenienced when fields are not accessible and Gonzales Park will be the only facility available for Summer Softball League play.

Summer Softball League registration opens on April 30, 2018. Given the reduced availability of fields, the City of Brawley Parks and Recreation Department will only accept a maximum of 8 men's teams and 8 women's teams for the 2018 Summer Softball League. The first 8 teams in the men's category and the first 8 teams in the women's category who have paid all registration fees will qualify for the Summer Softball League. The League will play two rounds and the top 6 teams will compete in the playoffs.

Your patience and understanding are appreciated as we upgrade our park facilities. If you have any questions, please feel free to contact the Brawley Parks & Recreation Department at 760-344-5675.
